III. Committee Reports

a. Associated Student Body

Class competition between grade levels started last week to show school spirit. Anti-bullying prevention postings started on social media.

b. Special Education

We are in week 7 into teaching and teachers are going full force. IEP’s are being held, supporting students, implementing IEP’s to full force. Staff is meeting weekly with director on Wednesday mornings at 8:00 am. Meeting will be held every other week now that things are settling down. Staff is being updated on changes coming from LA County during these meetings. Once a month staff also hold job alike meetings. Once a month department meeting is also held as a site. Collaboration groups are working well.

c. District Advisory Committee (DAC)

Two meetings were held in September. Main focus of the meetings was the Continuity of Learning and Attendance plan. Input and discussion were given by parents that were added to the Plan. Upcoming DAC meeting is on October 21, 2020.

d. **Principal**

We started the year very different from what we had anticipated. District is in discussion of possibly small groups to begin but nothing concrete has been set. The County Office of Education has allowed for sports to begin in very small groups. There are steps that have to take place at site before groups of students can begin to participate in sports but it could happen beginning next week. Teachers are working hard to adjust to distant learning just as our students are working hard. School site staff is following all the precaution given by the District and The Department of Public Health to conduct business on the site. Teachers do not need to come to campus. 10 or fewer teachers do come to campus on a regular basis and many are working from home and are able to do that safely. Screening protocols are being followed for those that come to the site. Everyone wears a mask if on campus and adhere to social distancing. This is our new normal and what is expected to be safe. We've had live updates for parents for the past 3 Fridays. We had parent meetings 2 weeks ago and we want to have that connection with our parents.

VI. New Business

a. Review of the 2020-2021 SPSA for ERHS

Changes to the SPSA Budget were recommended based on change of allocations.

- The overall allocation for the Site Base Fund (LCFF) is \$541, 388.
- The overall allocation of Title 1 is \$100,705.
- Funding for items that are not being operated during distance learning were reduced to \$0 but left in the budget for future allocation.
- Items that refer to projects no longer current were removed.
- Additional monies were allocated for Project Lead the Way (PLTW) and International Baccalaureate (IB) because these programs are no longer funded by the district.

b. Approval of amended SPSA

- i. Stephanie Senteno-Tapia
- ii. Ana Duran

Motion for adjournment:
