III. Committee Reports

a. Associated Student Body

Daisy reported that for the month of April they had the Spring Fling winner announcement. They are currently working on a virtual crowning for the winners. Senior Night will be April 16th. Blue vs Gray class competition will be April 19-23rd. On April 30th they are working on doing a Senior Sunrise.

b. Special Education

Transitional services have had great participation. Our teacher on special assignment has a job club every month and she works with the department of rehabilitation working on resume building, mock interviews and job searching. She has also helped many students individually via zoom with jobs, colleges and trade schools. We’ve had some of our students have in person and virtual interview ending with direct part time hiring.

c. District Advisory Committee (DAC)

Mrs. Luevano attended the DAC meeting on March 17. It was for parents to understand what the CAASP is all about. Mrs. Tristan presented and was very thorough on explaining what the different component of the CAASP are. The testing window is from March 22nd – May 28th. Testing will be virtual and a video of testing procedure was also presented. Mrs. Luevano sent the presentation to Mrs. Lugo to possibly post it on the school website for parents to see. Mrs. Luevano also participated in the LCAP meeting on March 25th. It was to share input on the decisions the district is making. 2 more meeting are pending.

d. PBIS

Mrs. Senteno-Tapia mentioned that Character Strong lesson 1 and 2 have been completed. Lesson 3 will be administered tomorrow. Our virtual walkthrough is coming up with Mrs. Sandra and Mrs. Dora from the district. They will come into 10 of our virtual classrooms to observe our students and teachers and see how we carry out our PBIS motto. We are at 61% of tier 1. At the moment we are not ready to move onto tier 2 but we are hopeful to do it next school year. We are in the process of moving from SWISS to Aeries but training is still in the process. Top Don is in the process of being created. Top students will be recognized by their teachers. Faculty and staff will also be able to be recognized.

e. Principal

We are pretty busy preparing for the few students that will be coming to campus. We are all excited and support the move to bring our SDC students back. We will have an in-person graduation and we are very excited for that also.

IV. Unfinished Business

None at the time.

V. New Business

a. Proposed SPSA Amendment

Based on what Mr. Collings shared in regards to the extensions of the Purchase Orders he suggested moving \$40,000 from the extra curriculum transportation money previously allocated in our SPSA. \$10,000 would still remain under transportation. \$21,500 would be utilized for athletics being that they were not able to fundraise and because of the additional equipment that was needed in order to separate players and the inability to share equipment. The other area that would need funding is graduation. Originally it was budgeted for a Drive-thru graduation but with recent news of an in-person graduation the budget will not be enough. A total of 18,500 would be moved for graduation. It is estimated that \$21,500 would be needed for this graduation and to cover what was needed for last years graduation that needed to be covered under this SPSA.

A motion was made to move \$40,000 towards athletics and graduation from extra curriculum transportation. All were in favor and motion was carried.

- i. Mrs. Senteno-Tapia
- ii. Rosanna Cabrera

b. Sports Update

As of April 13th, they are able to resume with indoor athletics with COVID testing continuing for students, coaches and support staff. Gyms have air scrubbers and frequent disinfecting of equipment, restroom and facilities will continue. It will be limited to 10% of Capacity for facilities. As of 4/16 observers will be welcomed for the purpose of supervising minor student athletes. 2 pre-registered observers from the same household will be allowed to attend and observe. They will be screened for symptoms and masks will be required as well as maintaining social distancing.

c. Coffee with the Principal

An announcement will go out on April 22nd at 5:00pm.

VI. Public Comment

Mrs. Saavedra suggested a small-scale open house or welcome to the Ranch to help incoming 9th graders to see the campus. ASB is in the talks to work on a video to assist those incoming students and our current 9th graders that missed the opportunity. Mrs. Villaseñor asked if summer school will be in person or virtual.

Motion for adjournment:

- i. Mr. Collings
- ii. Mrs. Senteno-Tapia

VII. Meeting Adjourned at 6:10 p.m.
