**Attendance Awareness Month**

Hello Dons! September is Attendance Awareness Month. Did you know that missing just two days a month negatively affects academic performance? Students that improve attendance rates, improve their academic prospects and chances of graduating. **Let's rebound with attendance**

ATTENTION STUDENTS...The District is offering Athletic Accident Insurance for the 2021/22 school year. The District has made available for purchase, voluntary student and athletic accident insurance through the Student Insurance Company. The insurance provides broad coverage for 24-Hour, School-Time, Tackle Football and Extended Dental. All students participating in interscholastic sports (this includes cheerleaders, mascots, bands, drill teams, Night Pep Rally skit participants etc.) are required by the Education Code to have adequate accident/medical insurance. District procedures require all medical insurance interscholastic participants to certify accident/medical insurance coverage prior to participation. For more information please pick up form from the Activities Office.
